**38. - 40. sorularda, cümleler sırasıyla okunduğunda parçanın anlam bütünlüğünü bozan cümleyi bulunuz.**

38. (I) The American Rescue Dog Association was founded in 1972 by Bill and Jean Syrotuck. (II) The concept was a result of the Syrotucks' desire to provide the public with competent well-trained search and rescue personnel and canines. (III) To achieve this goal, the Syrotucks formed the American Rescue Dog Association. (IV) The other one is comprised of highly skilled volunteer search units. (V) Then, they organized various state rescue dog associations across the nation.

A) I      B) II      C) III      D) IV      E) V

39. (I) Most of the food you eat is turned into glucose, or sugar, for your body to use for energy. (II) The pancreas, an organ near the stomach, produces a hormone called insulin to help glucose enter the cells in your body. (III) There are three main types of it. (IV) When your body does not produce enough insulin, sugar levels rise and build up in the bloodstream. (V) The result is the condition known as diabetes.

A) I      B) II      C) III      D) IV      E) V

40. (I) Good oral hygiene is very important for a healthy life. (II) Antibacterial mouthwashes are helpful in preventing tooth decay. (III) Keep in mind, though, that mouthwash and water picks should not replace the use of floss and toothbrushes. (IV) Improper brushing and flossing techniques may irritate or traumatize the gum tissue. (V) Water picks can also help clean out bacteria.

A) I      B) II      C) III      D) IV      E) V
